A Message From Your Editor

It is my sincere hope that the 1952 Mariner will serve you as a constant reminder of the experiences and enjoyments you have had at Marine City High School. It should be of special significance to the members of the class of 152 for it symbolizes the completion of their high school career.

As you turn these pages, turn back the hands of time and relive the many pleasant memories of sports, social activities, sorrows, laughs, friendships and excitement in the year '52. Let the snepshots and pictures remind you of all the pleasant memories and the friends you have made.

Turn back the hands of time to the happiest days you have experienced--your school days. On behalf of the Mariner Staff--it is our sincere hope that this Mariner will bring back these memories to you. Good Luck!

Your Editor,

Sylvia Buchler

I know that another shall finish the task I must leave undone.

I know that no flower, no flint was in vain on the path I trod.

As one looks on a face through a window, through life I have looked on God.

Because I have loved life, I shall have no sorrow to die.
